

# Mk1 & 2

- ▶ 8 Standard sizes to choose from
- ▶ Specific widths can be achieved on request
- ▶ Maintenance free
- ▶ High gloss fluted fascia
- ▶ High gloss smooth ceiling
- ▶ Any BS Colour can be matched

Optionally these canopies can be linked to Romanesque Pillars or Gallows brackets. Eyeball downlights can be incorporated upon request.

# Mk3 & 4

## MkIIIa&b

A decorative high gloss Romanesque overdoor canopy available in any RAL or BS colour. Although this canopy is self supporting it can optionally be accompanied by our Romanesque pillars.

MkIIIa

MkIIIb

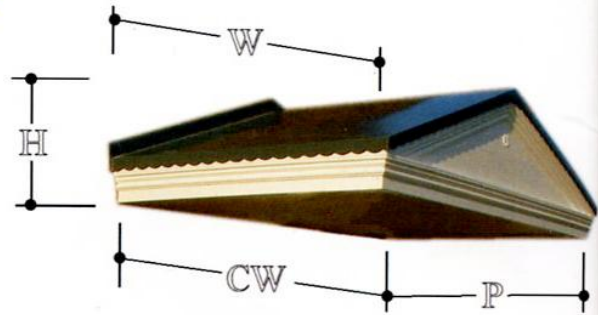

*Create A Grand Entrance*  
In under an hour!

## MKIV

A tiled effect roof with a high gloss ceiling and gable end. The top is tiled and both the top and the main body can be any RAL or BS colour. Although this canopy is self supporting it can optionally be accompanied by decorative timber gallows brackets. This canopy can accommodate downlights.
